ABOUT STAR ARTS
Star Arts is a week-long arts conference for adults happening every June on beautiful Star Island. This welcoming community offers workshops led by topnotch faculty, delicious communal meals, optional chapel services, in addition to afternoon and evening arts activities. We attract people who want to experiment with something new, people who are committed artists, and people who just want to take in the beauty of the island with time to read, write, hear music, poetry, and stories. Accommodations are simple and comfortable with views of the ocean all around.
